Notice Concerning Organizational Changes and Changes of Officers

RENOVA, Inc. announces that a meeting of the Board of Directors held today resolved to make the following organizational changes and changes of officers as of August 1, 2021.

1. Organizational changes

The construction of 75 MW class large-scale biomass power plants is steadily progressing at 4 locations in Japan, and therefore the Biomass Energy Division will be integrated into the Operation Division to streamline management of the construction process and strengthen operational capabilities toward the commencement of operation.

The Project Origination Division will be responsible for the development of new biomass businesses.

2. Changes of Executive Officers

Name	New Position	Former Position
Yusuke Nagai	Executive Officer Head of Project Origination	Executive Officer Head of Biomass Energy and Head of Project Origination
